

WARNINGS

- Do not mount accessories in front of or near the path of airbag deployment.
- Check vehicle compatibility before install to avoid damage to the vehicle mount point.
- Designed to work with OEM dashboard only, not compatible with aftermarket modifications.
- Do not use with 3rd party extension arms. Adhere to our phone weight limits.
- Mount electronics away from airflow to prevent heat damage.

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. Offroad shall have no liability for damage or injury resulting from the installation or use of any Offroad or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. Offroad product warranties do not cover the installation, removal or re-installation of any product.

Mounting Base Installation Instructions

Subaru Crosstrek 2024
Subaru Impreza 2024
Subaru WRX 2022-2024

COMPONENTS

Mounting Base

L-key

01

Using the L-key provided, slightly loosen the screw to ensure the inner plate moves.

Do not fully remove the screw - keep about one thread engaged.

02

Center the vehicle's vertical air vent louver.

Insert the 2 tabs of the mounting base into the gap just behind the air vent bezel as shown.

Apply outward and upward pressure on the mounting base to keep it tight to the corner.

03

Using the L-key, hand tighten the ball mount screw until the mounting base has a snug fit.

To ensure the best fit possible, hold mounting base while tightening.

POSITIONING

Fits the upper outer corners of the center console air vents as shown.
