

OFFROOM

WARNINGS

- Do not mount accessories in front of or near the path of airbag deployment.
- Check vehicle compatibility before install to avoid damage to the vehicle mount point.
- Designed to work with OEM dashboard only, not compatible with aftermarket modifications.
- Do not use with 3rd party extension arms. Adhere to our phone weight limits.
- Mount electronics away from airflow to prevent heat damage.

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. Offroom shall have no liability for damage or injury resulting from the installation or use of any Offroom or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. Offroom product warranties do not cover the installation, removal or re-installation of any product.

Mounting Base Installation Instructions

Toyota RAV4 2019-2025

7-in. and 8-in. Toyota Audio Multimedia system

COMPONENTS

Mounting Base

Trim Tool

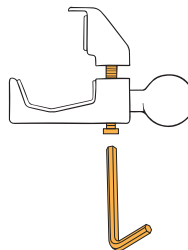

L-key

01

Using the L-key provided, slightly loosen the two screws on the bottom of the mounting base.

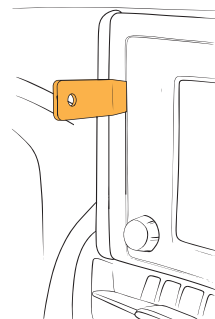

Do not fully remove the screws - keep a few threads engaged.

NOTE

IF REQUIRED:

Insert the trim tool into the gap between the nav unit screen and the bezel, then proceed with step 02.

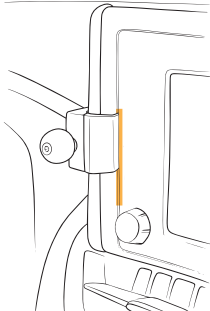

02

Mounting base is designed to fit into the seam between the nav unit and the bezel.

Gentle push lip into position. Remove trim tool.

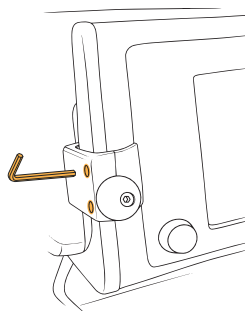

*See [POSITIONING](#) section of the instructions for more details.

03

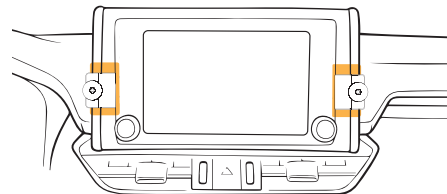

Using the L-key, hand tighten the screws until the mounting base has a snug fit.

To ensure the best fit possible, hold mounting base while tightening.

POSITIONING

Mounting base is designed to fit from the mid-section of the screen to the very bottom. For best results, mount towards the bottom.

Mounting base can also be mounted on the driver and passenger side of vehicle.
