

#### WARNINGS

- Do not mount accessories in front of or near the path of airbag deployment.
- Check vehicle compatibility before install to avoid damage to vehicle mount point.
- Designed to work with OEM dashboard only, not compatible with aftermarket modifications.
- Do not mount heavy devices and/or use with long extension arms. Check the rated weight limit.
- Mount electronics away from air flow to prevent heat damage.

#### COMPONENTS

Mounting Base

L-key

01

Using the L-key provided, slightly loosen the screw to ensure the rear plate moves.

Do not fully remove the screw - keep about one thread engaged.

02

Position mounting base near the upper outer corner of the center air vent on the driver or passenger side.

Slide mounting base upward so the tabs engage the top lip of the air vent.

03

Slide the mounting base fully into the corner of the air vent.

04

Using the L-key, alternate tightening screw until mounting base has a snug fit.

To ensure the best fit possible, hold mounting base while tightening.

#### POSITIONING

Fits upper outer corners of centre console air vents as shown.
